## PLEASE READ THIS INFORMATION

### COURSE ELIGIBILITY

All Calhoon MEBA Engineering School Courses are open to MEBA Training Plan participants in good standing

**- AND -**

within the 12 months prior to the start date of a class at Calhoon MEBA Engineering School or other approved school, have a minimum of 30 days of covered employment with a company(s) that contributes to the MEBA Training Plan. Days of paid vacation from the MEBA Vacation Plan are counted as days of employment.

**- OR -**

within the 12 months prior to the date of the class application for Calhoon MEBA Engineering School courses only, have a minimum of 30 days of covered employment with a company(s) that contributes to the MEBA Training Plan. Days of paid vacation from the MEBA Vacation Plan are counted as days of employment.

**Note:** Under this qualification, you may apply for no more than 2 classes beyond the 12-month eligibility period.

Retired MEBA members are eligible to attend classes on a space-available basis. Pension, medical, and transportation benefits are not payable.

### REQUIRED DOCUMENTS

On the first day of the class **participants must** have in their possession, and produce for inspection the following documents:

- ❖ **Vessel Discharges**
- ❖ **Vacation Vouchers**
- ❖ **Current Dues Receipt**
- ❖ **Photo Identification**

(Photo ID is not required by students who have previously had a photo taken by the school administration.)

### MAXIMUM COURSE APPLICATIONS

To allow equal access to all qualified participants, you may not submit more than four (4) applications for classes held within any school-year. If submitting several applications simultaneously, it is important to specify the **priority** in the space provided on the application form. For more details, refer to *Admission Policies* on the school's web site. Two of these applications are registered. The remaining applications are placed on the standby list.

### ROOM AND BOARD

Room and board at the School is furnished to any MEBA Training Plan participant while satisfactorily enrolled and attending a class. There are no room fees for a participant's spouse or registered guest while staying in the same room with the participant.

However, there is a charge if an additional room is required. Arrival time for a class is **no earlier than noon** Saturday before the start date. Departure time is **no later than 1700** on the final day of the class graduation. If an additional day is requested, CMES's commercial daily rate is charged to the participant. There is a charge for meals for spouses, guests, and for children (past their 8th birthday).

### PENSION AND MEDICAL COVERAGE

Pension and medical coverage accrues per full class day to eligible participants while attending Calhoon MEBA Engineering School classes.

Coverage shall not accrue for periods when a participant is receiving wages, vacation benefits, or attending an outside/vendor seminar.

Pension credits and medical coverage are calculated from the first to the last class-day, including weekends.

### TRANSPORTATION REMBURSEMENT

Participants shall be entitled to receive reimbursement equal to the cost of a 7-day advance purchase coach, round trip airfare from the nearest airport to the participant's home of record, within the United States. If a participant resides outside the United States, his/her home of record for the purpose of paying this allowance is deemed to be the point of entry into the continental United States that is closest to his/her actual home of record.

Round trip transportation reimbursement is payable for any class that is one-week or longer and is paid upon completion. Participants may receive a maximum of two round-trip transportation reimbursements in any one school year, excluding back-to-back classes. There must be a one-week break between classes to be eligible to receive a second transportation reimbursement. All airfare shall be pre-arranged through the Training Plan's travel agent.

### PENALTIES

Neither credit for completion of any class nor transportation or training allowances are given to a participant until all loaned materials are returned and any monies owed the School have been paid in full. Loaned materials include books and equipment issued in the class, materials borrowed from the School library, and any other borrowed or loaned School property. Monies owed include meal charges, bookstore purchases, examination fees, boat damage assessment, boat fuel, and drug test fees.
